In accordance with point 2.6 of Tender document, procurement commission constitute

ADDITIONAL INFORMATION AND CLARIFICATION

For procurement of Construction works on the rehabilitation and converting of the existing diplomatic residential premises into Embassy offices and of the outbuilding – a house to be used as residence by the Ambassador - **Phase I**

Serial number 11/2017

Regarding the written request of an interested party for additional information and clarification of item 2.25 of the Tender document – Phase I, where in paragraph 8 is requested that the selected contractor is obliged to obtain all permissions by the competent authorities necessary for the commencement of the works, we are informing all the interested parties that it is a technical mistake and that paragraph 8. shall be removed.

In accordance with abovementioned, Tender document will be changed, also in a part 7. Model contract, article 18. Paragraph 5, where instead of Belgrade Commercial Court, settlement of the dispute shall be entrusted to competent court in Ankara.

Note: Additional information and clarifications are integral part of Tender document.
